18:37 Sit-in to demand the opening of an investigation into the death of a military student in Nouadhibou

Sahara Media - A group of relatives of a military student observed a sit-in on Wednesday in front of the presidency of the republic to demand that light be shed on the circumstances of the death of this young man at the Nouadhibou naval academy. This sit-in was dispersed by the police under the pretext that it was not authorized.

According to the demonstrators, no information to date has been communicated to the relatives of the deceased and the file has not been transmitted to the courts, adding that the body of the deceased is still not buried pending the completion of the file. be forwarded to justice.

Relatives of the young military student are demanding an autopsy to determine the circumstances of his death.

The deceased, Taleb Ahmed Ould Ekar, 20 years old, died in circumstances not yet clarified almost two weeks ago at the Nouadhibou naval academy.

No official reaction has been recorded, neither at the level of the military institution nor at the government level.
